

# Word Study for --- CHERETHIMS

A landscape photograph showing rolling hills. The foreground and middle ground are dominated by hills with sparse, dry-looking vegetation in shades of brown and tan. Some green trees are visible on the lower slopes. The background shows more distant hills under a clear blue sky with a few wispy white clouds. The overall lighting suggests a bright, sunny day.

**Ezekiel 25:16 Therefore thus saith  
the Lord GOD; Behold, I will  
stretch out mine hand upon the  
Philistines, and I will cut off the  
Cherethims, and destroy the  
remnant of the sea coast.**
