

# Word Study for -- DISSEMBLERS

The background of the slide is a photograph of a body of water, likely a pond or a slow-moving stream. The water is dark and still, creating a clear reflection of the sky and the surrounding vegetation. In the foreground and middle ground, there are numerous tall, thin reeds or grasses. Some are green, while others are brown and appear to be dead or dried out. The reeds are densely packed and their reflections are sharp and detailed in the water below. The overall scene is somewhat somber due to the presence of dead reeds and the dark water.
