

A cluster of white roses is the central focus, resting on a bed of small, grey, rounded pebbles. The roses are in various stages of bloom, with some showing yellow centers. Green leaves with serrated edges are visible around the flowers. The background is dark, making the white flowers and green leaves stand out.

**Phillipians 03:21 Who shall change
our vile body, that it may be
fashioned like unto his glorious
body, according to the working
whereby he is able even to subdue
all things unto himself.**
