Word Study for --- DISTINCTION

A scenic photograph of a snowy mountain landscape. The foreground is a vast, snow-covered slope with visible ski tracks. In the middle ground, there are several evergreen trees, some heavily laden with snow. The background features rugged, snow-capped mountain peaks under a clear, bright blue sky. The overall atmosphere is serene and winter-like.

1Co 14:07 And even things without life giving sound, whether pipe or harp, except they give a distinction in the sounds, how shall it be known what is piped or harped?
