**2Ki 14:29 And Jeroboam slept with his
fathers, levent with the kings of Israel;
and Zachariah his son reigned in his
stead.**

**2Ki 15:08 In the thirty and eighth year
of Azariah king of Judah did Zachariah
the son of Jeroboam reign over Israel
in Samaria six months.**

**2Ki 15:11 And the rest of the acts of
Zachariah, behold, they [are] written in
the book of the chronicles of the kings
of Israel.**

A large, reddish-brown rock formation, possibly a natural arch or a large rock pile, dominates the center of the image. The rock has a rough, textured surface with visible cracks and shadows. The background is a clear, bright blue sky. In the foreground, the ground is a flat, sandy desert floor. To the right of the main rock formation, there is a smaller, more rounded rock. The overall scene is a desert landscape.

2Ki 18:02 Twenty and five years old was he when he began to reign; and he reigned twenty and nine years in Jerusalem. His mother's name also was Abi, the daughter of Zachariah.
