that in the last days perilous times

A background image of a pond with many small fish swimming in clear water over a sandy bottom. The water is shallow and clear, revealing the sandy and pebbly bottom. Numerous small, dark fish are scattered throughout the scene, some near the surface and others deeper. The water's surface is slightly rippled, and there are some reflections of light. The overall color palette is dominated by the browns and greys of the sand and pebbles, with the silvery and dark tones of the fish.
