

The background of the image is a serene outdoor scene. It features a body of water, likely a pond or a slow-moving stream, which is covered in a layer of green algae or duckweed. The water's surface is dotted with small, bright reflections of light. In the foreground and midground, there are several green plants with broad, oval-shaped leaves. Some of these plants are in sharp focus, while others are blurred, creating a sense of depth. The overall color palette is dominated by various shades of green, from deep forest greens to bright, sunlit greens. The lighting appears to be natural, possibly from a low sun, creating soft shadows and highlights on the leaves and water.

heard that, he said unto them,  
They that be whole need not a  
physician, but they that are sick.**
