

A vibrant still-life photograph of a basket filled with fresh fruit. The basket is lined with a red fabric. Slices of cantaloupe, bright orange slices, and banana rounds are scattered throughout. Several butterflies, including a large orange and black monarch and a smaller black and white one, are perched on the fruit. A bee is also visible on the left side. The lighting is bright, creating strong shadows and highlighting the textures of the fruit and the delicate wings of the insects.

Luke 12:17 And he thought within himself, saying, What shall I do, because I have no room where to bestow my fruits?
